A novena—9 days of prayer for a special intention—begins during the earliest days of the Church, when Mary and the Apostles prayed as they waited in the upper room before receiving the Holy Spirit on Pentecost. "Nothing is impossible for God's mercy! Even the most tangled knots are loosed by His grace. And Mary, whose 'yes' opened the door for God to make the knot of the ancient dispensation, is the Mother who patiently and lovingly brings us to God, so that He can untangle the knots of our lives and give us His divine mercy."

Pope Francis reminds us that the devil is ever eager to destroy our relationship and families—trying to tie us in an endless series of knots. He encourages us to turn to Mary for assistance in untying those knots that inhibit or block the divine action of God's grace in our lives. During the Novena, white ribbons will be available in the church so that Novena participants may write their prayer requests on them. These "knots" will be presented to Our Lady for her intercession.
